PSCAD v5.0.1 Update 1 (v5.0.1.1) – Release Notes

The updates below are included in PSCAD v5.0.1 Update 1 (April 04, 2022).

Certificate Licensing

PSCAD 5.0.1 Update 1 will now always use TLS 1.2 if available.

PSCAD 5.0.1 Release will default to using TLS 1.0 instead of TLS 1.2, unless the user 1st performs the Licensing | Contact Server action.
